Licensee under 35 U.S.C. 184 is hereby granted to file in any foreign country a patent application and any amendments thereto corresponding to the subject matter of this U.S. application identified above and/or any material accompanying the petition. This license is conditioned upon modification of any applicable secrecy order and is subject to revocation without notice.

License Number: 533,116

Grant Date: 30-Aug-04

Approved:

for Commissioner of Patents and Trademarks

This license empowers the filing, the causation and the authorization of the filing of a foreign application or applications on the subject matter identified above, subsequent forwarding of all duplicate and formal papers and the prosecution of such application or applications.

This license does not empower the filing of any applications, amendments, supplements or continuances originating in this country which disclose inventions, modifications, or variations not disclosed in the subject matter identified above.

This license is to be retained by the licensee and may be used at anytime on or after the date thereof. This license is not retroactive unless specifically indicated.

The grant of this license does not in any way lessen the responsibility of the licensee for the security of the subject matter as imposed by any Government contract or the provisions of existing laws relating to espionage and the national security or the export of technical data. Licensees should apprise themselves of current regulations, especially with respect to certain countries, of other agencies, particularly the Office of Foreign Assets Control, Department of the Treasury; Office of Munitions Control, Department of State (with respect to Arms, Munitions and Implements of War); the Bureau of Trade Regulation, Office of Export Administration, Department of Commerce; and the Department of Energy.

PETITION FOR EXPEDITED LICENSE FOR FOREIGN FILING
UNDER 37 C.F.R. 5.14

Commissioner For Patents
Licensing & Review Section
P.O. Box 1450
Arlington, VA 22313-1450

Sir:

Petition is hereby made in duplicate for a license under 37 C.F.R. 5.12(b) for the foreign filing of the subject matter for which a corresponding U.S. application is being filed concurrently herewith. A copy of this application is attached hereto to assist in the handling of this petition.

It is requested that the duplicate copy of the petition be returned with the license or other action on the petition.

It is believed that this invention is clearly of no interest from a security standpoint as it relates to motion picture and video record anti-counterfeiting technology.

Expedited handling of this petition for license is requested. Please charge the fee of \$130.00 and any additional fees required for the filing of this Petition or credit any over[payment to Deposit Account No. 50-0540].

Please notify Dale White at Auto.Pat, telephone number (703) 416-0366 upon issuance of the license so that it may be picked up.

Respectfully submitted,

KRAMER LEVIN NAFTALIS & FRANKEL LLP
